

**2023 IEEE International Conference on Applied Superconductivity
and Electromagnetic Devices (ASEMD2023)**

27-29 October 2023, Tianjin, China

<https://attend.ieee.org/asemd-2023/>

Original

2023-10-29

AWARD

Best Paper of ASEMD2023 to

**ID7123 - A Hybrid PWM Strategy for SMES Integrated Grid-Feeding
Transformerless PV Inverters**

Sudipto Mondal¹, Shuvra Prokash Biswas¹, Md. Sabbir Bin Islam², Md. Rabiul
Islam³, Rakibuzzaman Shah⁴

¹Department of Electronics and Telecommunication Engineering
Rajshahi University of Engineering and Technology
Rajshahi, Bangladesh

²Bangladesh Army University of Science and Technology
Saidpur, Bangladesh

³School of Electrical, Computer and Telecommunications Engineering
University of Wollongong, NSW, Australia

⁴Centre for New Energy Transition Research
Federation University Australia, VIC, Australia
